WORKSHOP

Loz (Sunday Lemonade)

Tour Planning 101 - Life on the road with Loz Lemons

After years of perpetual touring, Loz from Sunday Lemonade has learnt a thing or two about what makes a tour work best across Australia.

Learn how to piece together a logical tour (be it 2 weeks or three months), how best to approach venues and all the details you should confirm before booking in your show.

As well as practical tips and real-world insights, this workshop includes the chance to pick her brains with all your niggling questions.

Whether you're just getting started or planning your next big run, Loz is here to help.

-  Stories from the trenches of the creative life.
-  A celebration of resilience, self-belief and staying true to your artistic voice.
-  Laughter, real talk, music, storytelling and practical tools.
-  Reconnecting with the spark that made you create.
-  Recharge, be inspired and harness your own power.

Saturday
10:00am

WORKSHOP

Goldheist

Community Singing Workshop

Singing is fun, and a wonderful way to connect with music and each other.

Singing in a group means singers of ALL ages and skill levels can participate in a safe and inclusive creative space.

Participants will learn some simple a cappella songs which can be sung in a round, an ancient and easy way of singing in harmony to great effect.

With a strong background in choral singing, GOLDHEIST will teach participants aurally and visually, so no ability to read music is required.

-  Stories from the trenches of the creative life.
-  A celebration of resilience, self-belief and staying true to your artistic voice.
-  Laughter, real talk, music, storytelling and practical tools.
-  Reconnecting with the spark that made you create.
-  Recharge, be inspired and harness your own power.

WORKSHOP

The Timbers

Jamming with The Timbers

Join The Timbers for a relaxed and interactive folk jam session where everyone is welcome, no matter your skill level.

Together, we'll learn and play a selection of simple songs, explore the joy of making music in a group, and build toward the possibility of performing alongside The Timbers during their evening festival set.

Bring your instrument, your voice, or just your enthusiasm for music and community.

Expect singalongs, laughs, and a genuine folk festival experience.

Stories from the trenches of the creative life.

A celebration of resilience, self-belief and staying true to your artistic voice.

Laughter, real talk, music, storytelling and practical tools.

Reconnecting with the spark that made you create.

Recharge, be inspired and harness your own power.

COME FEEL IT.
OWN IT. LIVE IT.

Saturday

WORKSHOP

33 1/3's Shamrock Session

Pull up a seat, grab a pint, and join 33 1/3 for a lively Irish folk singalong packed with classic tunes, big choruses, and plenty of craic.

This interactive workshop is all about getting voices together, whether you know every word or just want to jump in on the choruses.

Bring your instruments along too – fiddles, guitars, whistles, bodhráns or anything that makes a sound, and be part of the session.

No pressure, just good music, good company, and a proper pub-style singalong where everyone's welcome to join in.

Stories from the trenches of the creative life.

A celebration of resilience, self-belief and staying true to your artistic voice.

Laughter, real talk, music, storytelling and practical tools.

Reconnecting with the spark that made you create.

WORKSHOP

Andy Brassett

Slide Blues Guitar in Standard Tuning

A comprehensive guide to playing slide blues guitar in standard tuning, including simple exercises for improving finger style guitar.

In this hands-on workshop, Andy Brassett shares practical techniques for playing slide blues with expression, groove and feel. You'll learn how to use a slide effectively across open and fretted chords, explore different approaches to rhythm and melody, and develop a deeper understanding of tone, touch and dynamics.

The workshop includes easy-to-follow exercises to help build fretboard confidence and fingerstyle skills that support your slide playing. Suitable for guitarists of all levels.

Bring your guitar, your slide, and a willingness to dive into the soulful world of blues.

Stories from the trenches of the creative life.

A celebration of resilience, self-belief and staying true to your artistic voice.

Laughter, real talk, music, storytelling and practical tools.

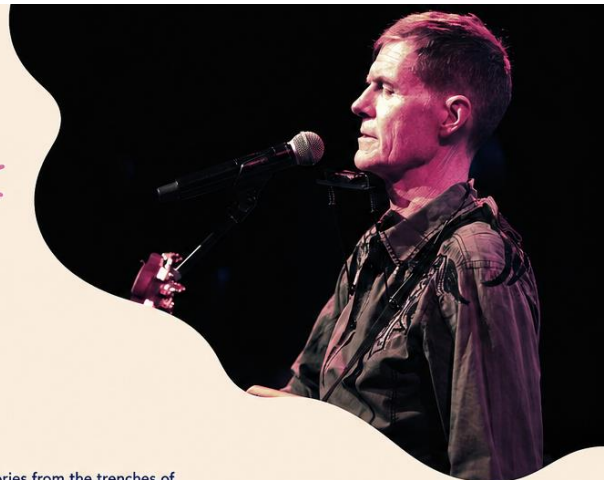

Reconnecting with the spark that made you create.

Recharge, be inspired and harness your own power.

Sunday
10:00am

WORKSHOP

Fred Smith

Fred Smith lays out a basic songwriting toolkit and offers a crash course in how to write a song.

Australia's master songwriter will take workshop participants through a user-friendly process for capturing those initial sparks of inspiration, fleshing them out, and shaping them into songs that don't suck.

Bring an instrument if you play one, and a pen and a couple of pieces of paper.

This could get messy.

Stories from the trenches of the creative life.

A celebration of resilience, self-belief and staying true to your artistic voice.

Laughter, real talk, music, storytelling and practical tools.

Reconnecting with the spark that made you create.

Recharge, be inspired and harness your own power.

WORKSHOP

David Flower & Chris Matthews 'Feel the Power'

**Not fame, Not algorithms, Not competition.
The real power the one already inside you.**

In this inspiring, funny and honest workshop, Australian songwriters David Flower, Chris Matthews and Gary Ward share stories from the trenches of the creative life. The wins, the setbacks, the weird moments, the breakthroughs and the stubborn determination it takes to keep creating.

Born from a running joke shouted across festival parks "FEEL THE POWER!" this session has evolved into something bigger! a celebration of resilience, self-belief and staying true to your artistic voice in an industry that constantly tries to pull you off course.

Expect laughter, real talk, music, storytelling and practical encouragement for artists, songwriters, creatives and dreamers of all kinds.

This isn't about trends and brands, It's about reconnecting with the spark that made you create in the first place.

Come recharge your creative batteries, find your people and leave feeling inspired, energised and ready to harness your own power.

Stories from the trenches of the creative life.

A celebration of resilience, self-belief and staying true to your artistic voice.

Workshop: Realistic Green Tree Frog with Prismacolors

- Learn to layer and blend Prismacolors.
- These are good quality-coloured pencils that produce realistic drawings.
- Draw a realistic Green Tree Frog.
- The focus will be on you experimenting with Prismacolors techniques first, giving beginners an opportunity to try something new before layering colours.
- No drawing skills required.
- The outline of your image will be traced first. Then using blending and layering techniques, bring your drawing to life with these vibrant coloured pencils.
- IT'S EASY, you do not have to be artistic because, as mentioned you will trace your image (no free hand drawing).

Your ticket includes.

- All materials (Prismacolors to use on the day)
- Coloured step by step instructions which support demonstrations so you can draw at your own pace. These will be emailed to you for your records.

Then take home a beautiful drawing to remind you of an afternoon well spent.
